## DISCOVER RIDING REINVENTED.

The Can-Am® Spyder® RT and RS roadsters. With a unique, three-wheeled stance, intuitive, rider-focused features. And head-turning magnetism, it's more than a new way to experience the open road. It's riding, reinvented. Discover what thousands of riders already know at [can-am.brp.com](http://can-am.brp.com)

**VEHICLE STABILITY SYSTEM**  
An automobile-like system integrating traction and stability control with anti-lock braking for unique stability.

**DYNAMIC POWER STEERING**  
Power steering system provides more comfort to the rider with a varying amount of assist when leaning the handlebars.

**SEMI-AUTOMATIC TRANSMISSION**  
No clutch lever or foot shifter here. Two self-braking shifts, your footbrake shifts down. (Manual available)
